About IJM Land

For over the past three decades, IJM Land has been successfully building award-winning, future-proof developments that have positively impacted the industry and communities across Malaysia and abroad.

IJM Land has a diversified portfolio of integrated townships, residential, commercial and investment properties across Malaysia. Our track record speaks for itself. A testament to our accomplishments, our prestigious Royal Mint Gardens development in central London, United Kingdom stands tall as a shining example of our triumphant overseas venture.

As part of our continued endeavour towards creating a positive legacy for communities to live well and thrive, we are committed to delivering value to our stakeholders. Our Distinctively IJM hallmark of architectural innovation and quality excellence has made IJM Land a thought leader and a benchmark for the industry, as reflected in our numerous award-winning sustainable developments right down to customer loyalty, as well as the socioeconomic growth across the locales.
